## The PYC Newsletter

### PYC/MBSA February Meeting

2/20/93, 10:00am, "REC-HALL"

We will have some information for beginning racing from US SAILING. And form a crew, to put cleats on the slips missing these handy line holders.

The MBSA will discuss adding some overnight trips to their calendar. Looking forward to seeing you and maybe enjoy the afternoon on the bay.

### PYC March 20th Sailing Weekend

We will be hosting owners of MacGregor and Venture sailboats for the *First Annual MacGregor Rendezvous and Spring Thaw Regatta*. The weekend will consist of a two race regatta, with an open class and individual classes for like boats of four or more entrants. There will also be cruising for the non-racers. A dinner and social to be held at the "club house" saturday night, also at 8:00pm the Palacios Chamber of Commerce is holding a "Casino Night" to benefit a local charity. For more info please see the entry flyer enclosed. Would like to have membership turn out to welcome fellow sailors from around the state.

### M26:

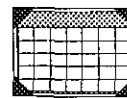

Speaking of MacGregor's, I like to announce that Jack Hollister & Lane Hollister have moved up to a MacGregor 26 as of 12/26/92. Looking forward to a season of racing on the new "Regalos de Dios". Also anyone interested in a demo sail, please call 409-244-6726.

### ALRIGHT ALL BOARD BOATS

- \* Sunfish
- \* Dolphin Sr
- \* Aqua Fin
- \* "others"

We have planned a "startup" meeting for the "Board Boat" (BB) class. At this meeting we'll set up an agenda, beginning with a sailing seminar on June 5th. Please give me a call if you are going to participate with this group or know of someone who may be interested.

### JANUARY Meeting:

At our last meeting the calendar and general format was set for the 1993 season. See the calendar on the back for details. The MBSA also set their main events, with some additional short cruises to be penciled in later. Watch here for up dates.

### WORK PARTY!

I know the words don't really go together but any time I'm around the water even work seems fun. Now to the point, with the up coming March event the marina will need additional "cleated" slips. We need volunteers and some cordless tools or adapters to get the job done. If you'd like to help call Lane 409-245-1669 and join us right after the Feb 20th meeting, at the docks.

### MEMBER NEWS:

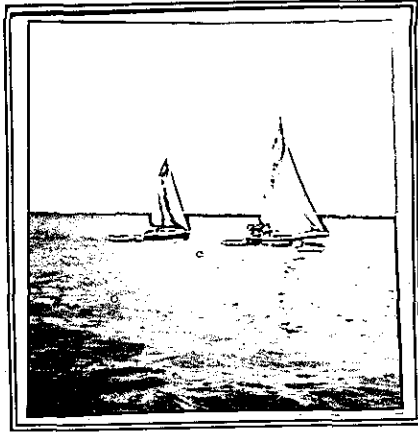

Well you've heard about the M26 the Hollister's got in Dec.

I have not heard from Roy Garrett, but know there will be some stories from Florida. (He has his M26 there and was racing with Rod Johnstone & Vince Marvillo on a J92. He is do back in Feb. to crew for John Kolius in the HYC Mid Winters. More when we have the facts.

Carl & Babs Heinrich, *Dances with Waves*, are to leave in April for a trip to the Bahamas. Babs has promised to keep in touch with letters & pictures for the news letter.

### Apologies:

I'd like to say I'm sorry to the out of town members of the MBSA. Seems I did not get you guys a newsletter last month. There will be a copy with this letter, and please come to the Feb. Meeting to help the MBSA finalize their calendar.
